Zone Swimming Carnival
Congratulations to our “super fish” swimmers who competed in the Zone Swimming Carnival yesterday. Our school was represented by 32 swimmers who all showed how Kellyville students are outstanding ambassadors for the school.

Tonight Leah Ward, Cameron Terheegde and Nathan Watts will be swimming in the finals. Good luck to all of our swimmers!

Kellyville Public School was the school who organised the carnival for the Zone this year. I would like to thank Mr Joal Bowman for being the Coordinator of a very successful carnival. This role is a very important one not only on the days of the carnival, but also for the work that had to be done beforehand to make sure that the days went smoothly. Mr Bowman has worked very hard on top of his normal duties as Kindergarten teacher.

Mr Bowman has a very dedicated team of teachers and staff from Kellyville who have assisted him. On Monday, Mrs Knight, Mr Mathews, Mrs Erika Johnson and Mrs Jacki Murphy assisted and on Tuesday evening, Mrs Sherylian Johnson, Mrs Erika Johnson, Mrs Murphy, Mrs Couque and Mrs Boatswain are giving their own free time to work at the carnival. I would also like to thank two parents, Mrs Fahmy and Mrs Watts for their valuable assistance.

Thank you everyone for helping to make the carnival such a success.

Clean Up Australia Day
Kellyville Public School is cleaner! Thank you to Mrs Dawkins, teachers and all students who assisted in the Clean Up Australia Day last Friday. We are working towards having a cleaner Australia by cleaning up our school.

P & C Welcome Evening
Thank you to our P&C for putting together another wonderful Welcome evening for our school community last Friday evening. It was great to see many new faces on the night and it was a fabulous way to meet teachers and families in a relaxed informal environment.

Windsor Road School Entrance
It has come to my attention that some parents are stopping in the NO STOPPING ZONE outside the double gates to let their children alight from the car.
I implore you NOT to do this for safety reasons.

There have been a few near misses on Windsor Road when parents do this. Other than the safety reason there is a fine which will be incurred for any violation. As this NO STOPPING zone is in an operating school zone the fine is $243 and 2 demerit points.

Police patrol this area. Please consider the safety of all children in this area and DO NOT pull into the NO STOPPING ZONE on Windsor Road.

P & C AGM
Tonight the Annual General Meeting for the P & C will be held in the staffroom. I look forward to seeing many parents at this meeting. After the AGM I will be giving an overview of the information from the My School Web site.

Grandparents’ Day

A reminder to all that Grandparents’ Day will be held on Wednesday, 23rd March. This is a very important date on our school calendar. Invitations have gone home. Grandparents or a very special delegate will be invited to attend school for a morning tea, at 10.45am, followed by outstanding performances from children across the grades. Classrooms will then be open to give children the opportunity to showcase their work to their Grandparents.

Grandparents are also invited to bring along a picnic lunch to share at lunchtime with their grandchild/children.

Please note that due to seating and catering limitations we are requesting that grandparents or a special delegate only attend the assembly and the morning tea.

We would, however, appreciate parents offering to assist in the canteen on the day.

There will be an opportunity for parents to attend Open Classrooms and see their child/children’s work during Education Week.

Respectful, Safe Learner Awards

All parents should now be familiar with the new school award system as they were discussed at Parent Information evenings. I would like to remind parents that it is the student’s responsibility to take their awards to their class teacher when they are able to “trade” their 2 Respectful, 2 Awards and 2 Learner awards, for Bronze. When they qualify for Silver the students need to show their teacher the next group of 6 awards, along with their Bronze etc. The teacher’s do keep records, however these records are for the purpose of maintaining consistency across the school. Bronze, Silver and Gold awards will not be given out unless students have shown their teachers all their awards.

I would like to take this opportunity to thank Mrs Helen Taylor who designed our new awards. She volunteered a lot of her time last year to assist us with the new certificates and has done a wonderful job.
