## FROM THE DEPUTY PRINCIPAL.....

### Congratulations Theresa and Sophia!

On Monday evening I was invited to attend a Rotary dinner and presentation meeting. Two of our students Theresa and Sophia were presented with awards for narratives they had written with a focus on natural disasters. These narratives were developed to enter the annual Hills Rotary Essay Writing competition. Theresa's narrative was awarded an impressive 2nd place with Sophia receiving a certificate for her participation. We are very proud of this achievement and both girls will have the opportunity to present their narratives at this week's school assembly.

### Kindergarten enrolments for 2010

Kindergarten enrolments are now being accepted for 2010. Please advise friends, neighbours and relatives that enrolment forms may be obtained from the front office. Please note that the date of birth must be verified before enrolment can be completed. A birth certificate, passport or record of birth will satisfy this requirement. It is also necessary to obtain current immunisation details (in the form of a certificate, not the blue book) as these are required for school record cards.

### New Click! now online

The latest issue of the Department of Education and Training's web-based technology guide for parents, Click!, is now online. Topics include cyber-bullying and how to protect your child; the pitfalls to avoid when sharing private photos to the net; whether kids can really study while listening to music, texting and chatting online; and how to avoid 'phishing' scams. Complete with vodcasts and podcasts and an informative blog by industry experts, keep up with your kids at: [www.schools.nsw.edu.au/click](http://www.schools.nsw.edu.au/click). ## SCHOOLS TREE PLANTING DAY FRIDAY 31ST JULY

This week on Friday 31st July, students from our school will be involved in Schools Tree Planting Day. Students will plant more trees and shrubs as part of an ongoing program to provide shade and beautify the school grounds and gardens. Students are requested to bring a pair of garden gloves to wear while working.

This year we will also plant a further 6 orange, mandarin and apple trees and start planting our new school vegetable garden. We are encouraging students to learn about how plants grow and to make healthy food choices which include eating fruits and vegetables every day.

## LESSONS AFLOAT

On Monday 6th July, Year 3 went to Hunters Hill on the bus. We caught a ferry from Hunters Hill to tour the harbour. We visited Shark Island along the way. On Shark Island we found an Aboriginal Cave. It smelt funny and it was sandy. After exploring Shark Island we hopped back on the ferry and trundled along to Watsons Bay for lunch.

After lunch we had a play on the grass. We had running races and we played Hide-and-Seek. On the way back to Hunters Hill on the ferry, we saw Fort Dennison and the Prime Minister's house.

We hopped back on the bus for a bumpy ride to school. I had an excellent day. Year 3 children and teachers would like to thank Mrs Trimmer (my mum), Mrs Haire, Mrs Tomkins and Mrs Watts for helping us on the day.

We receive \$1 for each \$25 spent. Your important role is to inform the sales assistant **BEFORE** the cash register transaction that you are part of Kellyville Public School so the points are allocated to us.
